

BOSTON POLICE RELIEF ASSOCIATION

ORGANIZED JANUARY 13, 1871

Dear

We hope the Holiday Season of 2018 finds you well and that this has been a good year for you. We are reaching out to your organization asking for help for our 2019 campaign to help Boston Police officers and their families. The Boston Police Relief Association has been in existence since 1871. We are the only organization dedicated to helping police officers and their families.

This past year has been one of the most difficult years in our 147 year existence. Seven active duty Boston Police Officers passed away in a five month period. These officers had families, spouses and children whose lives were forever changed by these sudden and unexpected deaths. We had several other officers hospitalized with serious medical issues. These officers and their families face the uncertainty of their futures. These deaths and serious medical issues are all the result of the added burdens of our commitment to keep the citizens of Boston safe. Due to the shortage of officers there has been increased stress placed on our officers, which is taking a heavy toll on our ranks. Our organization is in desperate need of help to support our officers and their families. Some of our recent efforts have been to assist the families of the officers that have passed, become sick or suffered tragedies in their life.

The Boston Police Relief Association also hosts and funds the Annual Boston Police Awards Ball, The Boston Police Memorial Mass as well as fundraisers and functions held to assist Boston Police Officers injured in the line of duty or those who become ill and are unable to work. Our organization also runs 4 blood drives annually to help the American Red Cross in their efforts. Our goal is to promote wellness for our officers as well as their families. Our organization is comprised of sworn members of all ranks from the Boston Police Department who volunteer their time at many of these events in order to assist their brother and sister officers.

We know that there is never a good time to ask for financial assistance and we appreciate your support of our Boston Police Officers. We are seeking sponsors for our Organization and we would be proud to display your name on our website Bostonpolicerelief.org as well as our other social media sites and in publications of our events and fundraisers.

Please see the enclosed page for sponsorship levels and pricing.
